

Linux Foundation's free online intro to Linux class

2014-08-04 16:07:17 by meshal

Do you want a good reason to learn about Linux? I'll give you one: According to Dice, the leading career site for technology and engineering professionals, nine out of ten IT hiring managers are looking for Linux pros.

This massively open online course (MOOC) is being taught by Jerry Cooperstein. Cooperstein is a nuclear astrophysicist who's been using Linux since 1994 and teaching it for almost that long.
